

The choice to adorn your space
with jewelry

Rinrose Tile

Rinrose Tile

Brilliant Vow Series

Spatial presentation image

We have pursued a brilliance that
can only be woven through glaze.
With a single firing, a profound luster and
enduring durability are born.
Its beauty requires no post-processing,
is crafted with respect for the environment,
and continues to grace spaces without fading,
for generations to come.

This product reflects light to emit a delicate brilliance.
The actual color and appearance may differ from what is shown.
